Re: Docket 2019-64-WS. Application of CUC, Incorporated for Increase of Rates and Charges.

Dear Ms. Boyd:

I have just become aware of an error in the proposed notice filed with the Commission earlier today. The proposed notice erroneously listed the commodity charge for water service as \$5.10 per 1,000 gal. The correct rate, which reflects pass-through increases since the company's last rate case is \$5.54 per 1,000 gal. I have enclosed a corrected notice for your consideration and apologize for any inconvenience. As stated previously CUC, Inc.'s next billing will be on September 1, 2019, and it respectfully requests that it be allowed to mail the customer notice as a bill insert to minimize expense.

With best wishes, I am,

Sincerely yours,

*s/ Charles L.A. Terreni*
